RE: Executive Order D 2012 002 (EO2) – Regulatory Efficiency Review for 8.2000

Pursuant to Executive Order, D 2012-002, relating to Regulatory Efficiencies Reviews, the Colorado Department of Health Care Policy and Financing (Department) will be conducting a review of **Medical Assistance 8.2000** in the upcoming year. The Provider Fee Financing Unit within the Special Finance Division, will be reviewing the following rules and categories of rules from 10 CCR 2505-10:

- Section 8.2000 - Hospital Provider Fee Collection and Disbursement
- Section 8.2000.1 - Definitions
- Section 8.2000.2 – Responsibilities of the Department and Hospitals
- Section 8.2000.3 – Hospital Provider Fee
- Section 8.2000.4 – Supplemental Medicaid and Disproportionate Share Hospital

These rules will be subject to a full analysis as delineated in the Department's Regulatory Efficiencies Review Process Guidance. The final report of the review will be available at the end of the review cycle in March 2016.

The Department will ensure that all interested parties have an opportunity to participate in the review. Specifically, the Department is seeking input into identifying rules that are duplicative, unclear, overlapping, outdated, or inconsistent. The Department would like to involve stakeholders in the drafting process of identified rules that may be re-written to incorporate their perspectives and ideas where possible. The actual re-write of the rules will be conducted at a later date. The sections of the rules subject to this regulatory review may be found at the [Colorado Secretary of State's website](#).

The Department is providing opportunity for participation through public meetings and via email correspondence. Public meeting participation will be through discussion at the Hospital Provider Fee Oversight and Advisory Board meetings as follows:
